

## § 300.707

under section 611 of the Act for the base year on the basis of children aged 3 through 5, but does not make FAPE available to all children with disabilities aged 3 through 5 in the State in any subsequent fiscal year, the Secretary computes the State's base year amount, solely for the purpose of calculating the State's allocation in that subsequent year under §§ 300.707–300.709, by subtracting the amount allocated to the State for the base year on the basis of those children.

(2) Allocates 85 percent of any remaining funds to States on the basis of their relative populations of children aged 3 through 21 who are of the same age as children with disabilities for whom the State ensures the availability of FAPE under Part B of the Act; and

(3) Allocates 15 percent of those remaining funds to States on the basis of their relative populations of children described in paragraph (a)(2) of this section who are living in poverty.
